Kidderminster

From the West

From Kidderminster follow the A448 East (Bromsgrove) for 7 miles passing through the villages of Stone, Mustow Green and Chaddesley Corbett,

One mile after Chaddesley you will pass a sign marking the edge of Dodford followed by a left turn signposted "Woodcote Green", stay on the main road.

Woodcote Manor is 0.4 of a mile after this junction just before the road bends to the right, you will see a large red brick barn on your right and a red brick wall on your left there is a track up to the house on your left

From the South, North or East

Make your way to the mini roundabout in Bromsgrove town centre and follow the A448 towards Kidderminster, this takes you out of the town and under the M5.

After 2.5 miles you will reach the Crossroads Stores and a right turn for Dodford Village, stay on the main road, Woodcote Manor is 830 m (about 1/2 mile) further on. As you reach the top of the hill the road bends to the left (start signalling right as you reach this point and SLOW DOWN - most visitors overshoot on their first visit)

Woodcote Manor's drive is on the right hand side at the end of a low red brick 100 m after the bend. The house is hardly visible from the road.

If you reach Woodcote Farm and a right turn to Woodcote Green you have overshoot.
